

— BLACK CANYON —
VETERINARY CLINIC

Semen Shipping Fees and Term

- Pick up fees are waived for any in-person pick up.
- Black Canyon Vet Clinic charges \$120 yearly (\$10/month), for up to 30 straws per owner, for on-site storage.
- All fees for long-term semen storage will be billed from the date of arrival of the semen at the storage facility.
- Domestic shipping costs \$180.00, which includes shipment preparation and the vapor shipper rental. ***Roundtrip overnight freight is separate and calculated based on the destination of the vapor shipper.*** If a vapor shippers not returned within 7 days, there is a \$25.00 per day fee for each day the shipper is returned late. If unreturned, the charge is \$1500.00 for replacement.
- For international shipments, please contact us directly for estimated costs and options.
- Fees are subject to change at any time, upon reasonable notice to the Owner.

The Term of this Agreement shall commence on the Effective Date and shall continue on a yearly basis.
